Explorer Post 108 was organized in 1985 to provide youth with information about the fire service through lectures, hands-on training, field trips, and emergency scene participation. Today Explorer Post 108 members are taught firefighting skills, hose lay evolutions, ladder techniques, salvage operations, proper use of firefighting tools and equipment, breathing apparatus use, CPR, First Aid and other related subjects. Post 108 Explorers assist with safe duties and public education events. Explorer Post 108 members/Explorer scouts have the option to compete at BSA Winterfest and participate in Oconeechee Council Explorer Events.
