Explorer Post 108 was organized in 1985 to provide youth with information about the fire service through hands-on training, field trips, and emergency scene participation. Explorer Post 108 members are taught firefighting skills, hose lay evolutions, ladder techniques, salvage operations, proper use of firefighting tools and equipment, breathing apparatus use, CPR, First Aid, careers in Fire Service, and other related subjects. Post 108 Explorers assist fire fighters with safe duties and public education events. Explorer Post 108 Explorers have the option to participate in Occoneechee Council Explorer Events and Explorer Volunteer Projects. Numerous Post 108 Alumni are active Fire Fighters today! Hunter Toms, son of Raleigh Fire Assistant Chief Ian Toms, is a Post 108 Alumni and currently serves as a Post adult volunteer. Jason Ceisner and his son Aiden are Post members. Exploring creates generations of firefighters!
